UTILIZATION OF ALLOCATED TOKENS

- Marketing (30%)
- Team (10%)
- Blockchain Universe (20%)
- NFT (10%)
- Games (10%)
- Exchange (20%)

Marketing (30%)

Super Coin allocates 30% of the distribution (60,606,060 SPC) to marketing initiatives, ensuring widespread awareness, adoption, and sustained growth.

Team (10%)

To reward and motivate the development team, 10% of the distribution (20,202,020 SPC) is allocated to the team.

Blockchain Universe (20%)

Super Blockchain Universe rewarded with 20% of the distribution (40,404,040 SPC), fostering a strong and engaged ecosystem.

NFT (10%)

Super Coin allocates 10% of the distribution (20,202,020 SPC) to support the development and promotion of Non-Fungible Tokens (NFTs) within its ecosystem.

Games (10%)

A portion of the distribution equivalent to 10% (20,202,020 SPC) is earmarked for the development and integration of gaming applications on the Super Coin platform.

Exchange (20%)

To facilitate liquidity and trading, 20% of the distribution (40,404,040 SPC) is allocated to exchanges supporting Super Coin.

CONCLUSION

Super Coin's thoughtful token distribution strategy aims to create a well-balanced and sustainable ecosystem. We believe that this allocation will contribute to the long-term success and growth of the Super Coin community.

BUY AND SELL TAX (15%)

Super Coin implements a 15% buy and sell tax on transactions, ensuring the sustainability and continuous development of the ecosystem. The tax is broken down into three components:

- Liquidity (7%)
- Marketing (4%)
- Reflections (4%)

Liquidity (7%)

Allocation: 7%

- The liquidity tax (7%) contributes to maintaining a healthy liquidity pool, supporting price stability and minimizing volatility.

Marketing (4%)

Allocation: 4%

- The marketing tax (4%) is allocated to promotional efforts, ensuring widespread awareness, adoption, and ongoing community engagement.

Reflections (4%)

Allocation: 4%

- The reflections tax (4%) benefits holders by distributing a portion of the tax back to existing Super Coin holders, encouraging long-term participation and loyalty.

CONCLUSION

Super Coin's tokenomics, coupled with the buy and sell tax mechanisms, are designed to create a well-rounded and sustainable ecosystem. We believe that these measures will fortify the Super Coin community, fostering a positive and rewarding experience for all participants.
